

Scholarship Terms and Conditions - Applied for Scholarships 2023/24

These terms and conditions apply to scholarships ("**Scholarships**") awarded by the University of Bradford (the '**University**') to its students studying on undergraduate and postgraduate taught courses ("**Courses**"). Students who are in receipt of a Scholarship, or who have been notified of the award of a Scholarship by the University, are referred to as "**Scholars**".

Additional terms and conditions for specific Scholarships, either notified to the relevant Scholar in writing, or specified on the University's website, will also apply to the Scholarships ("**Additional Terms**"). The Additional Terms, together with the terms and conditions set out here, are called the "**Scholarship Terms**".

1. Interpretation

- The following provisions shall apply to the interpretation of the Scholarship Terms.
 - 1.1. Capitalised terms shall have the meaning given to them in the Scholarship Terms.
 - 1.2. Any reference to the singular includes the plural and vice versa.
 - 1.3. Any words following the terms "including", "include", "in particular", "for example" or any similar expression shall be construed as illustrative and shall not limit the sense of the words, description, definition, phrase or term preceding those terms.

2. The Scholarship

- 2.1. The Scholarship is subject to the Scholar fulfilling any conditions of admission to the Course and maintaining their eligibility for the Scholarship for the duration of the Course.
- 2.2. The Scholarship will cover the Course fees and **/or** costs of the Scholar related to the Course as notified by the University in writing to the Scholar or as stated on the relevant page on the University's website.
- 2.3. Scholars who are awarded more than one Scholarship from the University may not combine these, unless the University confirms otherwise in writing. Where more than one Scholarship is made in the form of a fee waiver, only the largest fee amount waived will apply.
- 2.4. The Scholarship is non-transferable and cannot be exchanged for cash **if offered as a fee waiver**, or applied in any manner other than as notified by the University to the Scholar in writing.
- 2.5. The University may terminate the Scholarship under the circumstances set out in the Scholarship Terms and the Scholar's right to the Scholarship shall end on the circumstances set out in the Scholarship Terms, unless the University notifies the Scholar otherwise in writing.
- 2.6. Any delay or failure of the University to terminate the Scholarship is not a waiver of the University's right. If the University waives any right under the Scholarship Terms, this will not be a waiver of that right in the future.

- 2.7. The University may require the Scholar to repay the Scholarship (including any amount of the Course fees that have been waived) in the event of fraud or serious academic misconduct as set out in the Scholarship Terms, or in the event of the Scholar submitting false information in their application for the Scholarship.
- 2.8. The Scholar will promptly inform the University of any changes in their circumstances, if significant, that may affect their eligibility for the Scholarship or their study on the Course **for example suspension of studies**. The University may terminate the Scholarship in the event that it determines the Scholar is no longer eligible to receive the Scholarship.
- 2.9. The Scholar will inform the University of any other scholarships, bursaries or financial assistance they receive in relation to their study on the Course. The University may reduce or terminate the Scholarship in the event that the Scholar is in receipt of alternative funding for their study (other than loans or financing obtained on a commercial basis).
- 2.10. The offer of the Scholarship will terminate in the event that the Scholar does not take their place on the Course for the relevant year.

3. The Course

- 3.1. **If** the Scholarship is awarded to the Scholar on basis of their application to a **particular course which the Scholar** wishes to register for, **then** the Scholarship may not be transferred to different Course, **unless this is agreed with the Fees and Finance Team and the donor**.
- 3.2. The Scholar may transfer to another Course in accordance with the University's Ordinances and Regulations and its usual policies and processes (together the "**University's Regulations**"). The Scholarship will terminate automatically on such transfer **if 3.1 applies**.
- 3.3. The Scholar may withdraw from the Course in accordance with the University's Regulations and the Scholarship will terminate automatically on the Scholar's withdrawal. Where the Scholarship is made as a full waiver of Scholar's Course fees, the Scholar will not be liable for any Course fees on withdrawal. Where the Scholarship is a partial waiver of the Course fees, the Scholar will remain liable to pay the remainder of the Course fees according to the University's Regulations.
- 3.4. The Scholar may suspend their study on the Course in accordance with the University's Regulations, **unless additional terms apply as confirmed to the student in writing**. The Scholarship shall be suspended for the appropriate period, in the event that the Scholar is deemed to be withdrawn from the Course, the Scholarship will terminate.
- 3.5. Students withdrawn at an Award Board who are subsequently allowed to transfer to another programme of study will be considered as repeating for scholarship purposes.

- 3.6. The Scholar is expected to maintain their attendance and engagement in-line with University standards. Failure to meet the minimum attendance threshold for the course may result in the termination of the scholarship.
- 3.7. The Scholar will not be entitled to the Scholarship if they defer their entry onto the Course until the next intake and the Scholarship will terminate automatically on such deferment.

4. Monitoring

- 4.1. The Scholarship is subject to the Scholar's satisfactory academic performance, progression and conduct.
- 4.2. A scholar's progress is reviewed at the end of each academic year. You have to achieve an overall average of 60.00% or above in all 120 credits as part of the progression criteria to be considered for a continuing award. Please note that the progression criteria for the scholarship are assessed separately to the academic assessment. Information regarding progression will be taken at the point a student progresses. Deferred and Referred modules undertaken in the following year will not be considered.
- 4.3. The University may terminate the Scholarship by notice in writing:
 - 4.3.1. if the Scholar does not show satisfactory academic performance on the Course;
 - 4.3.2. if the Scholar has consistently poor attendance on the Course;
 - 4.3.3. In the event of the Scholar's exclusion from the Course as a result of a finding of academic misconduct. The University may also (acting reasonably) require repayment of the Scholarship, including the amount of any waived Course fees; or
 - 4.3.4. in the event of a finding of academic misconduct by the Scholar which results in a sanction other than exclusion, including relating to enrolment, attendance, assessment or conduct.
- 4.4. The University's decision to terminate the Scholarship or require repayment of the Scholarship may be deferred in the event that the Scholar appeals any finding of academic misconduct.
- 4.5. The Scholar acknowledges that they are required to act as a representative of the University. The Scholar must not do anything to bring (or which may reasonably bring) the University, its employees or its students into disrepute or which may negatively affect the University's reputation. This includes making rude, untrue or derogatory comments about the University, its employees, students or partners on social media.
